

# Child Welfare Training and Education

Sunshine Health offers free trainings to assist our providers, partners, foster parents and adoptive parents in delivering quality care to our members. In addition to our in-person trainings, the Florida Child Welfare Webinar Series provides expanded training opportunities.

## When

Webinar topics are offered on a rotating basis. Various dates and time are available. Please visit the registration page for details.

## To register

Go to [sunhealthfl.com/webinarcw](https://sunhealthfl.com/webinarcw).

## Topics include:

- Adverse Childhood Experiences (ACE) Study
- Hooked on a Feeling: Helping Children Understand Emotions
- Providing Culturally Affirming Care
- Secondary Traumatic Stress
- Sunshine Health Child Welfare Specialty Plan
- Supporting Healthy Behaviors in Youth
- The Impact of Trauma
- Trauma Informed Care for Professionals
- Trauma Informed Interventions
- Trauma Informed Care: Parts 1-5
- Understanding & Supporting Survivors of Human Trafficking
- Working with Birth Parents

For questions or to schedule a custom Child Welfare webinar for your group, contact [sunhealthfl.com/reqwebinar](https://sunhealthfl.com/reqwebinar).

**Cost:** Trainings are offered at no cost.

**Continuing Education (CE) Eligibility:** For specific CE board approvals and other CE information, refer to each training on the registration page. Participants will need to log in to the online training room AND will also need to connect to audio either via their device or call into the conference number. Participants must attend the entire session, complete a pre-test and a post-test to receive a CE eligible certificate. Pre-tests are only available at the start of the training.

**In-Person Trainings:** To schedule, email Graham Perkovich at [GPERKOVICH@centene.com](mailto:GPERKOVICH@centene.com).
